PROFESSIONAL SUMMARY

I am a dedicated Software Engineering student at Daffodil International University, actively seeking internship opportunities in the tech industry. I possess knowledge of programming languages such as C++ and C, and I consistently practice coding to enhance my skills and problem-solving abilities. And also passionate for web development. Although my academic and technical background is primarily in Software Engineering and Web Development, I am also highly interested in digital marketing, social media, and influencer marketing. I am eager to learn and contribute.
